

Ignalina Programme

Date of entry into force of contract	The contract number	The contract name
2017-01-26	PST-2 (13.66)	Mobile exhaust ventilation unit Procurement Contract has come into force
2017-01-26	PST-3 (13.66)	Acetilene-plasma cutting, smoke extract and filtration installation Procurement Contract has come into force
2017-01-26	PST-4 (13.66)	Mobile acetilene-plasma cutting, smoke extract and filtration installation Procurement Contract has come into force
2017-01-25	PST-5 (13.66)	Stationary acetilene-plasma cutting and smoke filtration installation Procurement Contract has come into force
2017-01-25	PST-6 (13.66)	Air ducts Procurement Contract has come into force
2017-01-27	PST-7 (13.66)	Welding helmets and goggles Procurement Contract has come into force
2017-01-24	PST-8 (13.66)	Welding helmets and air filtration installation spare parts Procurement Contract has come into force
2017-02-10	PST-17 (13.66)	Binding twine Procurement Contract has come into force
2017-02-20	PST-19(13.66)	Control circuits alarm and protection components Procurement Contract has come into force
2017-02-15	PST-20(13.66)	Cables and wires strands connectors Procurement Contract has come into force
2017-02-20	PST-21(13.66)	Control and protection devices Procurement Contract has come into force
2017-02-13	PST-24(13.66)	Switches and control boards Procurement Contract has come into force
2017-02-22	PST-26(13.67)	CONSTOR RBMK-1500/M2 casks leak tightness Control Contract has come into force
2017-03-14	PST-29(13.66)	Single-beam suspended bridge crane (A1-215) Procurement Contract has come into force
2017-03-14	PST-30(13.66)	Single-beam suspended bridge cranes (A1-214) Procurement Contract has come into force
2017-02-20	PST-19 (13.66)	Вступил в силу Договор о купле элементов сигнализации и защиты цепей управления

2017-03-02	PST-31(13.66)	Office paper Procurement Contract has come into force
2017-03-13	PST-33(13.66)	Hoses Procurement Contract has come into force
2017-03-03	PST-35(13.66)	Various household goods Procurement Contract has come into force
2017-03-02	PST-36(13.66)	Toilet paper and towels Procurement Contract has come into force
2017-03-14	PST-37(13.66)	Shredders Procurement Contract has come into force
2017-03-30	PST-49(13.66)	Luminescent lamp T8, 36W Procurement Contract has come into force
2017-02-10	15-0002-001-012	Agreement on Simplified Repair Works Completion (centralized repair section No 130/2) of the INPP Building 130/2 has entered into force
2017-04-28	15-0002-001-013	Agreement on Simplified Repair Works Completion (building of chemical purification of water) of the INPP Building 132 has entered into force
2017-04-18	PST-53(13.67)	Agreement on 1 Tonne Measurement Capacity Transport Containers procurement has entered into force
2017-04-06	PST-55(13.66)	Agreement on Underwear and Headwear procurement entered into force
2017-04-06	PST-56(13.66)	Agreement on Cotton Knitted Gloves/Mittens procurement has entered into force
2017-04-06	PST-57(13.66)	Agreement on Cotton Socks procurement has entered into force
2017-04-21	PST-58(13.66)	Agreement on Plasma Cutter Spare Parts procurement entered into force
2017-04-25	PST-63(13.66)	Agreement on Protective Helmets and their Supplements, Protective Footwear and Reusable Shoe Covers procurement has entered into force. Reusable shoe covers
017-04-26	PSt-64(13.66)	Agreement on Protective Helmets and their Supplements, Protective Footwear and Reusable Shoe Covers procurement has entered into force. Knee-high work boots
2017-04-26	PST-65(13.66)	Agreement on protective helmets and their supplements, protective footwear and reusable shoe covers procurement. Flip-flops, clogs and slippers
2017-05-04	PST-77(13.66)	Purchase and sale agreement for compression station's devices came into force
2017-04-25	PST-80(13.66)	Agreement on Ventilation Equipment Procurement has entered into force

2017-05-26	PST-98(13.67)	Contract on procurement and sales service of written translation has entered into force
2017-06-09	PST-111(13.66)	Contract on procurement and sales of metal production has entered into force
2017-06-23	PST-114(13.66)	Contract on procurement and sales of reinforced concrete containers has entered into force
2017-06-19	PST-118(13.66)	Contract on procurement and sales of extension cord has entered into force
2017-06-30	PST-129(13.68)	Contract on works procurement of INPP low activity radiowaste repository construction and engineer buildings design, construction, connection to repository and existing INPP infrastructure has entered into force
2017-07-14	PST-133(13.66)	Contract on procurement and sales of cranes and forklifts has entered into force. Procurement of forklifts.
2017-07-24	PST-134(13.66)	Contract on procurement and sales of cranes and forklifts has entered into force. Procurement of overhead single beam cranes (130/2) with bearing constructions
2017-07-24	PST-135(13.66)	Contract on procurement and sales of cranes and forklifts has entered into force. Procurement of single beam underslung overhead crane (A1-245), moving on overhead single rail pulley tackle (A1-214), single beam underslung overhead crane (B1-135), single beam underslung overhead crane (A1-140)
2017-07-31	PST-136(13.66)	Contract on procurement and sales of molded rubber strips has entered into force
2017-07-21	PST-137(13.66)	Contract on procurement and sales s of helium gas in monoblocs has entered into force
2017-08-03	PST-140(13.66)	Contract on procurement and sales of batteries has entered into force
2017-08-07	PST-142(13.66)	Contract on procurement and sales of luminescent lamps has entered into force
2017-08-14	PST-146(13.66)	Contract on procurement and sales of electric bulbs has entered into force
2017-08-16	PST-147(13.66)	Contract on procurement and sales of batteries has entered into force
2017-08-30	PST-148(13.66)	Contract on procurement and sales of cementation equipment parts has entered into force. Procurement of ball valves and pneumatic drives
2017-08-23	PST-149(13.66)	Contract on procurement and sales of cementation equipment parts has entered into force. Procurement of spare parts for mixers and pumps

2017-08-23	PST-150(13.66)	Contract on procurement and sales of parts for cementation equipment has entered into force. Procurement of mixer inserts
2017-08-29	PST-152(13.66)	Contract on procurement and sales of diesel oil has entered into force
2017-10-17	PST-159(13.67)	Contract on procurement and sales of decontamination services of the INPP controlled area has entered into force
2017-09-25	PST-163(13.66)	Contract on procurement and sales of garbage bags has entered into force
2017-09-27	PST-164(13.66)	Contract on procurement and sales of the operating material (Hewlett-Packard) has entered into force
2017-09-27	PST-165(13.66)	Contract on procurement and sales of the operating material (Konica-Minolta) has entered into force
2017-09-27	PST-166(13.66)	Contract on procurement and sales of the operating material (Kyocera) has entered into force
2017-09-27	PST-167(13.66)	Contract on procurement and sales of the operating material (Canon) has entered into force
2017-09-25	PST-168(13.66)	Contract on procurement and sales of the operating material (Xerox) has entered into force
2017-09-22	PST-169(13.66)	Contract on procurement and sales of the operating materials (Triumph-Adler) has entered into force
2017-09-27	PST-170(13.66)	Contract on procurement and sales of the operating material (Nashuatec) has entered into force
2017-09-22	PST-171(13.66)	Contract on procurement and sales of the operating material (Lexmark) has entered into force
2017-09-26	PST-173(13.66)	Contract on procurement and sales of desktop computer has entered into force
2017-10-09	PST-175(13.66)	Contract on procurement and sales of a fixed high-pressure water stream installation has entered into force. Purchase of high pressure water stream and screw compressor. Part 1 of purchase
2017-10-05	PST-176(13.66)	A contract on procurement and sales of a screw compressor with a reciever has entered into force. Purchase of high pressure water stream installation and screw compressor. Part 2 of purchase
2017-10-06	PST-177(13.66)	Contract for the sale of metal containers of 200 litres has entered into force
2017-10-09	PST-178(13.66)	Contract for the procurement and sale of industrial vacuum cleaners has entered into force. Part 1
2017-10-09	PST-179(13.66)	Contract for the procurement and sale of industrial vacuum cleaners has entered into force. Part 2
2017-10-06	PST-180(13.66)	Contract on procurement and sales of switches and their control boards has entered into force

2017-09-28	PST-183(13.66)	Contract for the procurement and sale of office paper has entered into force
2017-10-09	PST-185(13.66)	Contract on procurement and sales of computer spare parts has entered into force
2017-10-20	PST-191(13.66)	Contract on procurement and sales of chemicals and preparations has entered into force. Purchase of chemicals, reagents and operating materials. Part 1
2017-10-19	PST-192(13.66)	Contract on procurement and sales of chemical reagents and operating materials has entered into force Purchase of chemicals, reagents and operating materials. Part 4
2017-10-24	PST-193(13.66)	Contract on procurement and sales of liquid nitrogen has entered into force
2017-12-01	PST-197(13.67)	Contract on procurement and sales of services of expansion of radioactive waste packaging possibilities in Surface-Depository Buffer Storage Facility has entered into force
2017-11-24	PST-200(13.66)	Contract on procurement and sales of Canon copying and computer equipment spare parts and operating materials has entered into force. Purchase of copying and computer equipment spare parts and operating materials. Part 2
2017-11-24	PST-201(13.66)	Contract on procurement and sales of Hewlett-packard copying and computer equipment spare parts and operating materials has entered into force. Purchase of copying and computer equipment spare parts and operating materials. Part 3
2017-11-24	PST-202(13.66)	Contract on procurement and sales of Konica-Minolta multifunction copying and computer equipment spare parts and operating materials has entered into force. Purchase of copying and computer equipment spare parts and operating materials. Part 4
2017-11-24	PST-203(13.66)	Contract on procurement and sales of different equipment spare parts and operating materials has entered into force. Purchase of copying and computer equipment spare parts and operating materials. Part 5
2017-10-30	PST-205(13.67)	Contract on procurement and sales of services of the construction project "Building of the INPP Repository for Very Low Level Radioactive Waste in Visaginas Municipality, Drūkšiniai village, B19-2" execution and surveillance has entered into force.

2017-11-15	PSt-210(13.66)	Contract on procurement and sales of computer additional parts (projector) has entered into force
2017-11-16	PSt-211(13.66)	Contract on procurement and sales of computer accessories (different accessories) has entered into force
2017-11-08	PSt-212(13.66)	Contract on procurement and sales of laptop computers has entered into force
2017-11-23	PSt-215(13.66)	Contract on procurement and sales of telephone has entered into force
2017-11-15	PSt-217(13.66)	Contract on procurement and sales of stationery goods has entered into force
2017-11-16	PSt-218(13.66)	Contract on procurement and sales of household and hygiene goods has entered into force.
2017-11-21	PSt-219(13.66)	Contract on procurement and sales of leaf towels and toilet paper has entered into force
2017-11-27	PSt-222(13.66)	Contract on procurement and sales of gas and gas mixtures has entered into force.
2017-12-06	PSt-223(13.66)	Contract on procurement and sales of metal cutting equipment has entered into force.
2018-01-16	PSt-224(13.66)	Contract on procurement and sales of strip metal cutting equipment has entered into force.
2017-12-20	PSt-225(13.66)	Contract on procurement and sales of steel shovels has entered into force
2017-11-27	PSt-228(13.66)	Contract on procurement and sales of surface radioactive contamination measuring equipment spare parts has entered into force.
2017-11-27	PSt-229(13.66)	Contract on procurement and sales of filtering strips has entered into force
2017-12-07	PSt-230(13.66)	Contract on procurement and sales of multifunction copying equipment (A3 colourful) has entered into force
2017-12-07	PSt-231(13.66)	Contract on procurement and sales of multifunction copying equipment (A3 non-colourful) has entered into force
2017-12-06	PSt-232(13.66)	Contract on procurement and sales of multifunction copying equipment (A4 non-colourful) has entered into force
2017-12-01	PSt-233(13.66)	Contract on procurement and sales of rent and change of mud mats has entered into force
2017-12-11	PSt-234(13.66)	Contract on procurement and sales of sticky tapes has entered into force
2017-12-22	PSt-235(13.66)	Contract on procurement and sales of shot-blasting machine spare parts and operating materials has entered into force

2017-12-13	PSt-238(13.66)	Contract on procurement and sales of commutation switches has entered into force
2017-12-14	PSt-239(13.66)	Contract for the procurement and sale of industrial gas came into force
2017-12-13	PSt-240(13.66)	Contract on procurement and sales of desktop computers came into force
2018-01-01	PSt-243(13.66)	Contract on procurement and sales of electricity has entered into force
2017-12-13	PSt-244(13.66)	Contract on procurement and sales of protective helmets, masks and their accessories has entered into force. Purchase of protective equipment for high pressure water and shotblast unit. Part 1
2018-01-23	PSt-245(13.67)	Contract on procurement and sales of services of renewal of the radiological characterization unit for cemented liquid radioactive waste packages has entered into force
2017-12-22	PSt-247(13.66)	Contract on procurement and sales of protective clothing and footwear for work with high-pressure water-stream equipment has entered into force. Purchase of protective equipment for high pressure water stream and shotblast unit. Part 2
2018-02-09	PSt-250(13.66)	Contract on procurement and sales of two-way lifts has entered into force.
2018-01-02	PSt-252(13.66)	Contract on procurement and sales of protective helmets and their accessories has entered into force
2018-01-03	PSt-253(13.66)	Contract on procurement and sales of gloves/mittens has entered into force. Part 1
2018-01-02	PSt-254(13.66)	Contract on procurement and sales of gloves/mittens has entered into force. Part 2
2018-01-03	PSt-255(13.66)	Contract on procurement and sales of gloves/mittens has entered into force. Part 3
