

With the help of the Ignalina Programme the following activities were financed in 2023 to decommission the INPP and purchase the necessary goods, services and works for their implementation

Date	The Contract Number	The Contract Name
2023-01-01	PSt-1	Public Procurement Contract for the services of the development of the general concept for the construction of a deep geological repository in clayey basement rocks has entered into force
2023-01-09	PSt-3	Framework Agreement on consultancy services related to the dismantling of nuclear reactor shafts at the INPP has entered into force
2023-01-10	PSt-7	Public procurement contract for the radioactive aerosol monitor goods has entered into force
2023-01-13	PSt-10	Public procurement contract for the A-type container goods has entered into force
2023-01-09	PSt-11	Public procurement contract for the services of measurement of chemical pollutants, trace elements and petroleum products in water samples of the Ignalina NPP "Procurement Lot 2 – Water measurements in Drūkšiai Lake" has entered into force
2023-01-09	PSt-12	Public procurement contract for the services of measurement of chemical pollutants, trace elements and petroleum products in water samples of the Ignalina NPP "Procurement Lot 1 – Groundwater measurements" has entered into force
2023-03-15	PSt-15	Public procurement contract for the goods of building 130/2 ventilation and heating systems equipment, including its installation, has entered into force
2023-04-27	PSt-16	Public procurement contract for the services provided by Westinghouse Electric Spain S.A.U has entered into force
2023-04-27	PSt-21	Public procurement contract for the work on simple repair of the SE Ignalina Nuclear Power Plant facilities according to the Order No 19-0235-014 has entered into force
2023-04-20	PSt-158	Public procurement contract for the services of organisation of business travels has entered into force
2023-04-20	PSt-159	Tripartite settlement agreement to public procurement contract No. PSt-265(13.68E) of 4 October 2021 has entered into force
2023-04-27	PSt-163	Public procurement contract for the goods of metal containers for the storage of medium-activity long-lived radioactive waste has entered into force
2023-04-28	PSt-169	Public procurement contract for the goods of high water pressure equipment has entered into force
2023-05-02	PSt-176	Public procurement contract for the stationery goods has entered into force
2023-05-05	PSt-180	Public procurement contract for the goods of electric pallet carriages has entered into force
2023-06-01	PSt-185	Public procurement contract for the services of development of the deep geological repository megaproject has entered into force
2023-05-10	PSt-186	Public procurement contract for the services of the 40 tonnes lifting capacity vehicle crane (B19) rent has entered into force
2023-05-11	PSt-187	Addendum to the order-offer-contract for the services of organisation of business travels, No. 22-106-036/PSt-158(13.67E) of 20 April 2023, has entered into force
2023-05-11	PSt-190	Public procurement contract for the services of organisation of business travels has entered into force
2023-05-11	PSt-191	Public procurement contract for the goods of software rent has entered into force
2023-05-19	PSt-198	Public procurement contract for the domestic goods has entered into force
2023-05-19	PSt-199	Public procurement contract for the goods of drinking water in 5 litre bottles has entered into force

2023-05-23	PSt-203	Public procurement contract for the goods of the freight vehicle – tractor unit has entered into force
2023-05-08	PSt-207	Public procurement contract for the services of organisation of business travels has entered into force
2023-05-30	PSt-213	Public procurement contract for the stationery goods has entered into force
2023-05-30	PSt-214	Public procurement contract for the services of the 1 (first) vehicle (semi-trailer) rent without a driver has entered into force
2023-05-30	PSt-215	Public procurement contract for the services of the 2 (second) vehicles (semi-trailer) rent without a driver has entered into force
2023-06-13	PSt-217	Public procurement agreement for the services of managing hazardous waste generated from production and other economic activities has entered into force
2023-06-13	PSt-218	Public procurement agreement for the services of managing non-hazardous waste generated from production and other economic activities has entered into force
2023-06-05	PSt-221	Public procurement contract for the services of organisation of business travels has entered into force
2023-06-09	PST-229	Public procurement contract for the goods of TA Triumph Adler has entered into force
2023-06-09	PST-230	Public procurement contract for the goods of Epson Aculaser has entered into force
2023-06-09	PST-231	Public procurement contract for the goods of Kyocera operational materials has entered into force
2023-06-12	PST-232	Public procurement contract for the goods of Konica Minolta operational materials has entered into force
2023-06-12	PST-233	Public procurement contract for the goods of HP operational materials has entered into force
2023-06-12	PST-234	Public procurement contract for the goods of Canon operational materials has entered into force
2023-06-12	PST-236	Public procurement contract for the goods of network and computer hardware, as well as their spare parts has entered into force
2023-06-12	PST-237	Public procurement contract for the goods of crushed steel pellets No. 1 has entered into force
2023-06-12	PST-238	Public procurement contract for the goods of crushed steel pellets No. 2 has entered into force
2023-05-08	PSt-239	Public procurement contract for the services of organisation of business travels has entered into force
2023-06-13	PSt-241	Public procurement contract for the goods of computer parts and accessories has entered into force
2023-06-15	PSt-246	Public procurement contract for the goods of the analytical-filtering tape has entered into force
2023-06-16	PSt-249	Public procurement contract for the goods of the fork lifter rent required for the decommissioning of the Maišiagala Radioactive Waste Storage Facility has entered into force
2023-06-19	PSt-250	Public procurement contract for the services of organisation of business travels has entered into force
2023-06-19	PSt-252	Public procurement contract for the goods of network equipment spare parts has entered into force
2023-06-19	PSt-253	Public procurement contract for the goods of key network software has entered into force
2023-06-20	PSt-254	Public procurement contract for the goods of hygienic paper has entered into force
2023-06-20	PSt-255	Public procurement contract for the goods of protective masks, half-masks and filters has entered into force
2023-06-20	PSt-256	Public procurement contract for the goods of kitchen serviettes has entered into force
2023-06-26	PSt-264	Public procurement contract for the goods of metal structures items has entered into force
2023-07-03	PSt-266	Public procurement contract for the goods of the complete set of energy saving evaporation facility equipment for innovative and efficient treatment of liquid radioactive waste has entered into force
2023-09-08	PSt-267	Public procurement contract for the services of the SE Ignalina Nuclear Power Plant territory maintenance has entered into force

2023-06-30	PST-269	Public procurement contract for the goods of Xerox operational materials has entered into force
2023-05-08	PSt-239	Public procurement contract for the services of organisation of business travels has entered into force
2023-07-03	PST-275	Public procurement contract for the services of the 1 truck rent without a driver has entered into force
2023-07-03	PST-276	Public procurement contract for the services of the 2-truck rent without a driver has entered into force
2023-07-10	PSt-279	Public procurement contract for the services of organisation of business travels has entered into force
2023-07-10	PSt-280	Public procurement contract for the services of the annual supervisory inspection of the discharged pollution continuous monitoring system has entered into force
2023-07-10	PST-281	Public procurement contract for the goods of protective (lead) blankets has entered into force
2023-07-10	PST-282	Public procurement contract for the simple repair works on the SE Ignalina Nuclear Power Plant facilities according to the Order under Contract No 19-0235-016 has entered into force
2023-06-19	PSt-291	Public procurement contract for the services of organisation of business travels has entered into force
2023-12-07	PSt-192	The public procurement contract for air conditioners with installation in a controlled area has entered into force
2023-07-17	PSt-292	The public procurement contract for business travel arrangement services has entered into force
2023-08-10	PSt-293	The public procurement contract for the demolition of building 117/2 with pedestrian gallery and pipeline corridor, including design, has entered into force
2023-07-17	PSt-295	The public procurement contract for household goods has entered into force
2023-07-19	PSt-298	The public procurement contract for gates has entered into force
2023-07-20	PSt-299	The public procurement contract for the network and computer hardware, as well as their spare parts, has entered into force
2023-07-25	PSt-305	The public procurement contract for shoe covers has entered into force
2023-07-26	PSt-306	The public procurement contract for shoe covers has entered into force
2023-08-03	PSt-307	The public procurement contract for the demolition of building 140/3 has entered into force
2023-08-03	PSt-317	The public procurement contract No. 19-0235-017 for the SE INPP facilities ordinary repair works has entered into force
2023-08-04	PSt-318	The public procurement contract for business travel arrangement services has entered into force
2023-08-07	PSt-322	The public procurement contract for PRIMAVERA P6 software licences and the upgrade of PRIMAVERA P6 production version (6.1) to the latest version of PRIMAVERA P6 EPPM has entered into force
2023-08-08	PSt-323	The public procurement contract for Mobile Smoke Extraction and Filtration Systems has entered into force
2023-08-10	PSt-325	The public procurement contract for Liquid Scintillation Spectrometric Analyser with installation has entered into force
2023-08-14	PSt-328	The public procurement contract for business travel arrangement services has entered into force
2023-08-14	PSt-330	The public procurement contract for the garbage bags has entered into force
2023-08-15	PSt-334	The public procurement contract for the chemical substances – Category II –technical materials No. 1 has entered into force
2023-08-14	PSt-337	The public procurement contract for business travel arrangement services has entered into force
2023-08-24	PSt-346	The public procurement contract No. 19-0235-018 for the SE INPP facilities ordinary repair works has entered into force
2023-08-28	PSt-348	The public procurement contract for the office paper has entered into force
2023-08-18	PSt-349	The public procurement contract for business travel arrangement services has entered into force
2023-08-29	PSt-348	The public procurement contract for a hand cream (after work) has entered into force

2023-08-31	PSt-354	The public procurement contract for business travel arrangement services has entered into force
2023-09-01	PSt-357	The public procurement contract for the bentonite clay geocomposite has entered into force
2023-09-04	PSt-358	The public procurement contract for the incineration facility cooling nozzles has entered into force
2023-09-04	PSt-359	The public procurement contract for the disposable gloves has entered into force
2023-09-05	PSt-360	The public procurement contract for Geotextile No. 3 has entered into force
2023-09-05	PSt-362	The public procurement contract for the chemical substances – Category IV – Scintillation Cocktails has entered into force
2023-09-06	PSt-365	The public procurement contract for business travel arrangement services has entered into force
2023-09-07	PSt-366	The public procurement contract for the goods has entered into force
2023-09-07	PSt-367	The public procurement contract for the goods has entered into force
2023-09-07	PSt-368	The public procurement contract for the goods has entered into force
2023-09-11	PSt-370	The public procurement contract for Geotextile No. 3 has entered into force
2023-09-12	PSt-371	The public procurement contract for equipment surface decontamination agents has entered into force
2023-09-12	PSt-373	The public procurement contract for business travel arrangement services has entered into force
2023-09-13	PSt-374	The public procurement contract for business travel arrangement services has entered into force
2023-09-14	PSt-375	The public procurement contract for construction of 110/6 KV transformer substation has entered into force
2023-09-14	PSt-376	The public procurement contract for the underwear (under shirts, size 5) has entered into force
2023-09-14	PSt-377	The public procurement contract for the underwear (long underpants, size 1, 2, 3, 6) has entered into force
2023-09-14	PSt-378	The public procurement contract for the underwear (under shirts, size 3) has entered into force
2023-09-14	PSt-379	The public procurement contract for the underwear (under shirts, size 4) has entered into force
2023-09-14	PSt-380	The public procurement contract for the human skin decontamination agents has entered into force
2023-09-15	PSt-386	The public procurement contract for the underwear (under shirts, size 1, 2, 6) has entered into force
2023-09-18	PSt-387	The public procurement contract for the consultancy services related to the dismantling of reactor shafts at the Ignalina Nuclear Power Plant under the Preliminary Contract No. PSt-3(13.67E) dated 2023-01-04 has entered into force
2023-09-13	PSt-389	The public procurement contract for the underwear (long underpants, size 4, 5) has entered into force
2023-09-19	PSt-392	The public procurement contract for reusable shoe covers has entered into force
2023-09-20	PSt-398	The public procurement contract for business travel arrangement services has entered into force
2023-09-22	PSt-401	The public procurement contract for the consultancy services related to the dismantling of reactor shafts at the Ignalina Nuclear Power Plant under the Preliminary Contract No. PSt-3(13.67E) dated 2023-01-04 has entered into force
2023-09-22	PSt-402	The public procurement contract for the consultancy services related to the dismantling of reactor shafts at the Ignalina Nuclear Power Plant under the Preliminary Contract No. PSt-3(13.67E) dated 2023-01-04 has entered into force
2023-09-26	PSt-405	The public procurement contract for business travel arrangement services has entered into force
2023-09-28	PSt-410	The public procurement contract for the chemical substances – Category III – testing instruments, standards and indicator paper has entered into force
2023-09-29	PSt-412	The public procurement contract for cement CEMII has entered into force
2023-09-29	PSt-413	The public procurement contract for cement CEMII has entered into force
2023-09-29	PSt-414	The public procurement contract for cement CEMII has entered into force
2023-10-02	PSt-415	The public procurement contract for washing powder, fabric bleachers has entered into force

2023-10-02	PSt-416	Public procurement contract for stationary smoke extraction and filtration equipment has entered into force
2023-10-02	PSt-419	The public procurement contract for shoe covers has entered into force
2023-10-02	PSt-421	The public procurement contract for tape library and supplements has entered into force
2023-10-19	PSt-422	The public procurement contract for rental and replacement of dirt-absorbing mats has entered into force.
2023-10-05	PSt-423	The public procurement contract for business travel arrangement services has entered into force
2023-10-06	PSt-424	The public procurement contract for shoe covers has entered into force
2023-10-09	PSt-427	The public procurement contract for landline telephone communication services has entered into force
2023-10-09	PSt-431	The public procurement contract for shoe covers has entered into force
2023-10-12	PSt-434	The public procurement contract for chemical substances – Category I – laboratory chemical substances has entered into force
2023-10-17	PSt-436	The public procurement contract for business travel arrangement services has entered into force
2023-10-17	PSt-439	The public procurement contract for the geogrid has entered into force
2023-10-17	PSt-440	The public procurement contract for the erosion control geomat has entered into force
2023-10-19	PSt-445	The public procurement contract for software rental has entered into force
2023-10-18	PSt-443	The public procurement contract for Geotextile No. 2 has entered into force
2023-10-17	PSt-447	The public procurement contract for business travel arrangement services has entered into force
2023-10-25	PSt-451	The public procurement contract for the INPP Near Surface Repository for Short-Lived Low and Intermediate Level Radioactive Waste Technical Design adjustment services and for the project’s construction phases I/A, II/A supervision services has entered into force
2023-10-26	PSt-455	The public procurement contract for business travel arrangement services has entered into force
2023-10-26	PSt-457	The public procurement contract for electric pallet carriages has entered into force
2023-10-29	PSt-459	The public procurement contract for the scissor lift has entered into force
2023-11-06	PSt-462	The public procurement contract for business travel arrangement services has entered into force
2023-11-03	PSt-463	The public procurement contract for a pneumatic trolley with a lifting capacity of 3 t has entered into force
2023-11-03	PSt-464	The public procurement contract for a pneumatic trolley with a lifting capacity of 2 t has entered into force
2023-11-06	PSt-465	The public procurement contract for toilet paper and paper towels has entered into force
2023-11-06	PSt-466	The public procurement contract for laptop computers has entered into force
2023-11-06	PSt-467	The public procurement contract for monitors has entered into force
2023-11-08	PSt-469	The public procurement contract for drawing software No. 2 network licences has entered into force
2023-11-08	PSt-470	The public procurement contract for drawing software No. 1 has entered into force
2023-11-08	PSt-472	The public procurement contract for desktop computers has entered into force
2023-11-09	PSt-474	The public procurement contract for sheet metal has entered into force
2023-11-09	PSt-475	The public procurement contract for metal profiles and round steel has entered into force
2023-11-06	PSt-476	The public procurement contract for laptop computers has entered into force
2023-11-14	PSt-477	The public procurement contract for business travel arrangement services has entered into force
2024-01-12	PSt-481	The public procurement contract for diesel fuel has entered into force
2023-11-15	PSt-482	The public procurement contract for All-in-One computers has entered into force

2023-11-20	PSt-490	The public procurement contract for LED fixtures with a maximum power up to 150 W has entered into force
2023-11-20	PSt-491	The public procurement contract for LED fixtures with a maximum power up to 200 W has entered into force
2023-11-21	PSt-501	The public procurement contract for business travel arrangement services has entered into force
2023-11-23	PSt-508	The public procurement contract for business travel arrangement services has entered into force
2023-11-24	PSt-509	The public procurement contract for business travel arrangement services has entered into force
2023-11-27	PSt-512	The public procurement contract for bi-metal band saw blades has entered into force
2023-11-27	PSt-513	The public procurement contract for tablet computers has entered into force
2023-11-28	PSt-516	The public procurement contract for respirators has entered into force
2023-12-01	PSt-517	The public procurement contract for business travel arrangement services has entered into force
2023-12-01	PSt-520	The public procurement contract for business travel arrangement services has entered into force
2023-12-05	PSt-523	The public procurement contract for construction works civil liability insurance services has entered into force
2023-12-05	PSt-526	The PRELIMINARY CONTRACT has entered into force The public procurement contract for the development of design proposals, investigation programmes and construction work technical design, consultancy and project execution supervision services for the Near Surface Repository Engineering Barrier Model has entered into force
2023-12-06	PSt-527	The public procurement contract for respirators has entered into force
2023-12-08	PStS-98	The public procurement contract for business travel arrangement services has entered into force
2023-12-11	PSt-529	The public procurement contract for mobile magnetic boards has entered into force
2023-12-11	PSt-530	The public procurement contract for combined gloves has entered into force
2023-12-12	PSt-531	The public procurement contract for business travel arrangement services has entered into force
2023-12-14	PSt-533	The public procurement contract for a lead sheet has entered into force
2023-12-18	PSt-536	The public procurement contract for laptop computers has entered into force
2023-12-18	PSt-537	The public procurement contract for desktop computers and accessories has entered into force
2023-12-18	PSt-538	The public procurement contract for disposable laboratory and PVC gloves has entered into force
2023-12-18	PSt-542	The public procurement contract for the Near Surface Repository for Short-Lived Low and Intermediate Level Radioactive Waste (construction phases I/A, II/A) and its external storm water sewage network construction supervision as well as FIDIC engineering and consultancy services has entered into force
2023-12-22	PSt-546	The public procurement contract for shoe covers has entered into force
2024-01-12	PSt-547	The public procurement contract for decontamination services has entered into force
2023-12-27	PSt-548	The public procurement contract for consultancy services related to the development of INPP Responsibility Report 2023 in accordance with the GRI (GLOBAL REPORTING INITIATIVE) standard, the annual report composition and the disclosure of taxonomy has entered into force
2023-12-28	PSt-550	The public procurement contract for shoe covers has entered into force
2023-12-29	PSt-552	The public procurement contract for business travel arrangement services has entered into force
